SIR

I have the honour to forward herewith a copy of the Council's resolution No 9 dated 31-12-1924 recommending reduction in duty of Octroi on Kerosene oil tins to one anna on each such tin and to state that a large number of tins is being booked to the bordering Railway station viz Doddanatha whence they are reported to be distributed to various places whereby payment of duty is evaded to the detriment of Municipal revenues The Agent to the Company actually resides in this town and the business transactions are conducted here

DEPUTY COMMISSIONER

General No ___

The Municipality as a consequence has been sustaining a loss on this account and the Agent on enquiry promises that in the event of either reduction of duty to one anna or a rebate on export is allowed (to what extent) he would import oil directly to his depot situate in the municipal limits resulting in mutual advantages

The latter arrangement of allowing refund on exported tins did not appeal feasible to the Council and it therefore resolved that the levy of duty of two annas on each tin as at present be reduced to one anna temporarily for six months so as to allow the Council to judge the action proposed

and request you to obtain the sanction of Government early to the proposed recommendations of the Council in the matter

I have the honour to be

Sir
